1. TERM OF AGREEMENT

In accordance with section 49 of the Act the term of this agreement is for the period of 1 July 2018 to 30 June 2019.

This Agreement, pursuant to Section 46(3) of the Act, includes the health services to be provided by the Notional LHN during the Term of this Agreement that are within the overall expense limit set by the Department CEO in accordance with the State Government's purchasing intentions.

2. ENTIRE AGREEMENT

This Agreement constitutes the entire agreement and understanding of the Parties and supersedes any previous agreement between the Parties as to the subject matter of this Agreement.

2.1 Notional Contracted Services Determination

The Department Notional Contracted Services Local Hospital Network (Notional LHN) consists of an aggregation of contracted public hospital services for the Department.

The Department Notional Contracted Services LHN only includes in scope health services that are eligible for a Commonwealth funding contribution.

As stated in Clause A54(a) of the *National Health Reform Agreement 2011*, the Administrator of the National Health Funding Pool prescribes that the Notional Contracted Services LHN is not required to meet the LHN governance arrangements set out in clauses D11 to D21. However, all requirements and responsibilities outlined in the *National Health Reform Agreement 2011* and *National Health Reform Act 2011* still apply to the LHN.

3. PUBLICATION OF AGREEMENT

The Department will publish an abridged version of this Agreement on the WA health system internet site, in accordance with Schedule D9 of the National Health Reform Agreement. Any subsequent amendments to this Agreement will also be published in accordance with Schedule D9 of the National Health Reform Agreement.

4. LEGISLATIVE AND POLICY CONTEXT

4.1 The Health Services Act 2016

The Act supports the WA health system's vision to deliver a safe, high quality, sustainable health system for all Western Australians including:

- to promote and protect the health status of Western Australians
- to identify and respond to opportunities to reduce inequities in the health status
- to provide access to safe, high quality, evidence-based health services
- to promote a patient-centred continuum of care in the provision of health services
- to coordinate the provision of an integrated system of health services and health policies
- to promote effectiveness, efficiency and innovation in the provision of health services and teaching, training, research and other services within the available resources
- to engage and support the health workforce in the planning and provision of health services and teaching, training, research and other services.

5. STRATEGIC CONTEXT

This Agreement is informed by a wider strategic context related to the delivery of safe, quality, financial sustainable and accountable healthcare for all Western Australians. The delivery of services within the following strategic context is the mutual responsibility of both Parties, whether with reference to supporting information and guidelines or mandatory policy requirements.

5.1 WA Health System Strategic Intent 2015-2020

The Strategic Intent defines the WA health system's overarching vision, values and priorities. The WA health system's vision is delivering a safe, high quality, sustainable health system for all Western Australians.

The WA health system's strategic priorities are focused on a continuum of care to support and guide health care through integrated service delivery from prevention and health promotion, early intervention, primary care through to diagnosis, treatment, rehabilitation and palliation, ensuring all Western Australians receive safe, high quality and accessible health care.

5.2 WA Aboriginal Health and Wellbeing Framework 2015-2030

In recognition of the WA health system's commitment to improving the health of Aboriginal people, in 2017-18, it is expected that the Notional LHN will develop an ongoing dialogue with the Department to progress and report against the key initiatives and health service measures.

The Aboriginal Health Framework's six strategic directions are:

1. promote good health across the life-course
2. prevention and early intervention
3. a culturally respectful and non-discriminatory health system
4. individual, family and community wellbeing
5. a strong, skilled and growing Aboriginal health workforce
6. equitable and timely access to the best quality and safe care.

The Aboriginal Health Framework bases its context within the WA health system Strategic Intent 2015-2020 which commits the WA health system to strengthen and embed the approach to improve the health and wellbeing of Aboriginal people living in WA.

5.3 Additional Policy Considerations

This Agreement is informed by, but not limited to, the following frameworks, policies, guidelines and plans:

- Clinical Services Framework 2014-2024
- Purchasing and Resource Allocation Policy Framework
- Performance Policy Framework
- Outcome Based Management Policy Framework
- Clinical Governance, Safety and Quality Policy Framework
- Research Policy Framework
- Clinical Teaching and Training Policy Framework
- ICT Policy Framework
