

Are you
worried?

We need to know.

If your child seems sicker or is behaving unusually, tell us right away.

Step
1

Worried about a change in your child's condition?
Tell us.

Step
2

Still worried? Speak to a senior staff member.

Step
3

If your concern is urgent, call your hospital's Aishwarya's CARE Call line or use the Aishwarya's CARE Call phone installed in some emergency departments.

You know your child best. **We will listen to you.**
